**Bond Renewal Date:** 06/30/2011

**Bond Amount:** \$144,000

**Permit fee** is up to date

**Purpose of Inspection:** Routine Annual Inspection and investigating citizen's complaint

**Inspection Summary:**

I arrived on site and found several people working within the active permitted area and I discussed the areas which were being actively worked with the new supervisor on site, Jason Brunson, phone number 435-743-8111. He was totally aware of what the permit boundaries were and they were mining within those boundaries, negating the citizen's complaint.

Photos were taken to document site conditions.

**Conclusions and Recommendations:** OGM to continue annual inspections and monitor the site when in the area.
